Suffolk Archers offers annual family memberships which commence on April 1 and terminate on March 31 of the following year. Gate cards will be deactivated shortly after April 1 for former members who have not renewed their membership.

Active members in good standing have the right to renew their membership for the following year up to the termination of their current membership. Once membership terminates ALL family membership rights and interests in Suffolk Archers, Inc. are forfeited, membership in Suffolk Archers cannot be renewed and a former member must apply to rejoin Suffolk Archers as new member.

A late fee will be charged to those members whose Membership Renewal Application Packages and payments are received or completed after March 31st. Please allow up to two weeks for gate cards to be reactivated.

All primary members of Suffolk Archers and participating spouses must sign a Safety Rules and Policies Agreement. All participating family members over 18 years old must sign the Waiver/Release of Liability and Agreement. A parent/guardian with participating minors must complete the bottom section of the Waiver/Release of Liability and Agreement.

All participating family members must know and abide by the Safety Rules of Suffolk Archers. The primary member is responsible for making sure the other participating members of their family know, understand and abide by all Safety Rules.

It is much easier for us to process online membership renewals and payments made through **MY ACCOUNT**. Most members renew online and have far less errors and omissions than renewals submitted by mail. We accept credit cards, debit card and PayPal when you pay online. We also issue refunds immediately if you make overpayments online. You may also submit your Membership Renewal Application Package online and then later mail in your payment or pay in person at the lodge by March 31st.

No PayPal account is needed. Just click on the credit card symbol just below the PayPal information area. ## SUFFOLK ARCHERS SAFETY RULES AND POLICIES AGREEMENT

It is the responsibility of the “primary” member to ensure that all family members and guests entering upon the Suffolk Archers facility are familiar with these Safety Rules and that they agree to abide by them. Members of Suffolk Archers and their guests, whenever on the facility, including when attending scheduled events, shall observe the following range and safety rules to insure the safety of all participants.

1. **ABSOLUTELY NO BROAD HEADS OR PRACTICE BROAD HEADS** to be shot on the range or practice butts (except at the Broad Head Pit located at the end of the road at the top of the range). ***Violation of this Safety Rule is cause for immediate revocation of membership.***
2. **ASOLUTELY NO CROSSBOWS or FIREARMS will be shot anywhere on Suffolk Archers Property at any time.** ***Violation of this Safety Rule is cause for immediate revocation of membership.***
3. The entrance gate shall be closed and locked upon entering and leaving, to discourage trespassing. **Giving access to non---members by sharing/lending gate key cards is cause for revocation of membership.**
4. A person acting unruly or in an unsafe manner will be asked to leave.
5. It is the responsibility of every archer to insist upon strict standards of safety and courtesy.
6. No Pets are allowed on Suffolk Archers property.
7. No Alcoholic beverages or illegal drug use allowed on Suffolk Archers property.
8. Never put an arrow on the string until it is safe to shoot.
9. Never shoot into the air or draw your bow higher than the level of your intended target. If your bow draw---weight is so high that you must point your arrow skyward to pull the string, reduce poundage.
10. Members and guests will only shoot at prescribed target butts, knock-a-blocks or 3D targets, etc. (no aiming at trees or animals).
11. Members and guests, will not cross or move forward of the shooting line, for any reason, until all shooting has ceased and all shooters on the line know and acknowledge there is a cease fire.
12. Members and guests will walk from target to target using the prescribed marked trails, in an ascending order. (Example: Target #7 to Target #8) No shortcuts or backtracking allowed.
13. When looking for lost arrows, YOU MUST ‘PROTECT’ THE TARGET. If you are alone, take the paper target off the face of the butt and place your bow conspicuously in front of the butt, knock---a block or 3Dtarget, to let the next person know you are behind the target. If you are in a group, one person must always stay visible in front of the butt, knock---a---block or 3D target, ‘protecting’ the target.
